

Dear Friends of the Trust,

The Victorian Government is about to commence debate on abortion.

The anti-choice lobby is well organised. We urge people who support removing abortion from the criminal code to also have their voices heard.

Debate follows the Victorian Law Reform Commission's report presenting three options to the Government.

Of the options, the Women's Trust believes Model C is the most ideal for Victorian women, without changing current practice.

The Trust also supports this opinion piece published in the Age:

The Trust urges friends to support this pro-choice piece by writing a letter to the editor as soon as possible.

Letters may also wish to address faults in an anti-choice opinion piece that was published in the Age on the same day - <http://www.theage.com.au/opinion/support-when-it-really-counts-20080814-3vnj.html>

Letters to the Age can be addressed to [letters@theage.com.au](mailto:letters@theage.com.au)

By clicking <http://www.theage.com.au/letters> you will find further information re letters length etc.

Alternatively supporters may wish to write to their local MP, in both the Legislative Assembly (<http://www.parliament.vic.gov.au/Assembly/default.htm>), and the Legislative Council (<http://www.parliament.vic.gov.au/council/default.htm>).

The more letters received, the better!
