*Dear Friends,*

*You will probably be aware that Moira Rayner is about to undergo a trial in Perth late November, facing charges relating to her conduct while she was Acting Commissioner of the Corruption and Crime Commission.*

*This message is not about the merit or otherwise of the charges now being faced by Moira. We are writing as friends and admirers, witnessing and respecting her extraordinary efforts throughout her life to improve the human rights ledger in our society; and strengthen wherever possible our democratic culture.*

*The real test of friendship and support is when someone is in trouble. This is where Moira finds herself now and we want to make sure that all the people who have loved and admired her have the chance to help her at a time of need.*

*The forthcoming trial is expected to cost Moira around \$70,000. The Friends of Moira group ([www.friendsofmoira.com.au](http://www.friendsofmoira.com.au)) have so far raised a little over \$20, 000. (Signatories for this group are Denis Tracey, John Bryson and Mary Crooks).*

*We urge you to join us in contributing to this fund over the next few weeks – and show Moira that we care. It is easy to do – just go directly to [www.ourcommunity.com.au/friendsofmoira](http://www.ourcommunity.com.au/friendsofmoira) .*

*Best wishes,*
