

Final two in Gender Lens workshop series for 2010

These workshops are proving to be a unique educational opportunity to help you to incorporate gender awareness in all facets of philanthropic activity.

The workshops are run by Mary Crooks, Executive Director of VWT and Andrew Mountford, Telos Partners

The FINAL two workshops are scheduled for:

Tuesday 7 September Sydney
Friday 10 September Melbourne

Congratulations on the gender lens workshop today. I thought it was great - plenty of meat, and lots to keep everyone thinking after they left.

It was very interesting for me to understand that I had not accurately accounted for gender in the projects I undertake with my own foundation.

The information you provided will set me on a path to reviewing and addressing this!
